## Rule change for the Endurance and Efficiency Event

Due to the weather, we will not apply J2025-D-03.a.

### 2025 Formula SAE Japan 2025 Formula SAE Japan Local Rules

**J2025-D-03 Participation in the Endurance and Efficiency Events**  
(refer to Formula SAE® Rules 2025 D.12, D.13)

- ~~a. Cars that fail to record a lap time in the Autocross event within 145% of the fastest lap time (all times in this section include penalties) recorded by each ICVs and EVs will not be permitted to participate in the Endurance and Efficiency events.~~
- b. Each ICVs and EVs will be divided respectively into Groups A, B, and C in order of the fastest lap times recorded in the Autocross event. The Endurance Event will be held on the first day for Groups B and C, and on the second day for Group A.
- c. The running order for Groups B and C will start from the cars with the fastest laps recorded in the Autocross event. The running order for Group A will start from the car with the slowest lap recorded in the Autocross event.
- d. The Run order of EV Class takes into consideration the battery charging time.
- e. Only 2 or 3 cars will be permitted to be on the course at the same time.
  - \* However, it may be necessary to change rule J2025-D-05 because of the weather or other circumstances. In this case, any changes in the rule will be announced in advance.
