Profile チーム紹介・今までの活動

ZuuRa Formula Racing, a group of Automobile and Motorsport enthusiasts is the Formula-Student team of Vellore Institute of Technology Chennai Campus. ZuuRa, in Sanskrit stands for "Warrior" and Z.F.R. is equipped with some of the highly skilled under-grads who live to engineer the finest high performance race machine. Strong team dynamics and effective management & planning have been the key features towards achieving the goal. The layout of the competition poses a lot of critical challenges which are not restricted to the engineering part but also the administrative parts like funding, endorsement etc.
